Eurotech manual flexion with elevation.

This table was barely used in a massage office that tried to get a chiropractor and was unable to, so they returned the table.

It does not have any drops but does have the adjustable head and chest piece. Asking price is \$3599. If new it would be over \$6,000!

Older Zenith Cox stationary flexion table.

This table is the basic flexion with no drops but the price is only \$800

Lloyd Galaxy Hylo with all Auto drops in great shape!

Only \$6,000!

Lloyd 900 HS with manual pelvic drop in great shape!
\$5,000
